

HOPE FOR THE HOLIDAYS

# Adopt-A-Family 2021

Social Services and Volunteer Services are coordinating the 2021 Winship Holiday Adopt-A-Family Program for our patients who are currently in active treatment and need help with their holiday this year. We need your help to make this year's program a success.

### **New Process:**

Applicants create an Amazon wish list that you are able to shop from and gifts are sent directly to patients.

If you are interested in adopting a family or a few families let us know. You can do this as an individual, group, department or even as a special project with a place of worship or a school.

**To adopt a family or for more information please contact:**
