

Emory Care Model for Otolaryngology-Head and Neck Surgery

Our multidisciplinary care team consists of doctors, advanced practice care providers (nurse practitioners and physician assistants), nurses and allied health professionals. We coordinate care to provide you the best possible patient experience.

EMORY CLINIC

Have you signed up
for the **Emory Patient Portal** yet?

www.emoryhealthcare.org/patientportal

The Emory Healthcare Patient Portal is a convenient and secure health-management tool you can use anywhere you have access to the Internet.

✓ Prescription Refills

First, confirm with your pharmacy that there are not refills.

Contact us at least a week prior to your prescription running out.

You can contact us via phone for refills, too.

✓ Form

Paperwork takes 10 business days to complete. Prepare your contact information for returning the form when you request the form.

✓ Records

Please request pertinent outside records to be faxed to the number below, or be prepared to bring to appointment to prevent treatment delays.

FAX **404-778-4295**

**Need to schedule
an appointment?**

✓ Scheduling

Please call us at the number below. We will help you plan a visit to the Emory Otolaryngology-Head and Neck Surgery.
