Translating Research into Outstanding Patient Care.

Make Your Time Meaningful While at School

At Winship Cancer Institute, we provide college student volunteers with the opportunity to acquire hands-on experience that makes a difference in the lives of our patients, families, visitors, and staff everyday. We have a variety of opportunities that will help fuel your genuine desire to serve others and explore the careers available in health care. Become a volunteer and give back while learning more! Volunteer opportunities are available in the following departments: Ambulatory Infusion Center, Bone Marrow Transplant/Hematology, Medical Oncology, Patient and Family Resource Center, Radiology, Radiation Oncology, Welcome/Concierge Desk.

“ The hope and courage the patients display is inspiring and infectious, and I can’t help but approach life in a more positive manner.”

- Micah Titus, Emory University
